We will leave ESA and 106 to Q&A because of the status of the FRN.

Subject: ASWM Presentation Question

Hey Kathy,

Two quick questions about the power-point:

1. Were you planning on discussing ESA? there is a place holder in the ppt, and I want to know if I should add to it or take it out.
2. Same question but for the for Section 106.

Let me know when you can. Otherwise the power-point is looking good.

Sincerely,

Stephanie
